Correction: Technology solutionism in paediatric intensive care: clinicians' perspectives of bioethical considerations

Denise Alexander¹, Mary Quirke¹, Carmel Doyle², Katie Hill¹, Kate Masterson¹ and Maria Brenner^{1*}

Following publication of the original article [1], in this article ref. 5 and 13 was incorrect and should have been read as follow:

5. Alexander D, Eustace-Cook J, Brenner M. Approaches to the initiation of life-sustaining technology in children: a scoping review of changes over time. *J Child Health Care*. 2021;25(4):509–22. <https://doi.org/10.1177/1367493520961884>.

13. Alexander D, Quirke M, Berry J et al. Initiating technology dependence to sustain a child's life: a systematic review of reasons. *J Med Ethics*. 2021. <https://doi.org/10.1136/medethics-2020-107099>.

The original article has been corrected.
